SOMETIMES OUR BEST planned ideas go askew... for instance in setting up our Christmas greeting ad last week, we wanted to be sure that each of our carrier boys would be listed. And of course the staff at the office would be no problem.

AND AS YOU HAVE probably guessed... we left out the main cog in the machine. We inadvertantly omitted R. Lyle Ray's' name. Lyle is the guy that we all run to for help...no matter what the problem may be... he usually has the answer. In the bookkeeping department, the legal department, circulation department, the money end of the operation... he is just everyone's right hand man.

WE ARE POSITIVE THAT Lyle would wish each of our readers a Merry Christmas and a very prosperous New Year.

AND IF YOU think you have heard everything... here is one that should top 'em all. According to our source... during the repaving of Latimer Avenue, signs "Road Closed" were placed at either end of the street.

SOON AFTER THE "black stuff" was put down and before it had been rolled, a woman was driving through. When asked if she had not seen the signs, she replied, "It didn't say completely." The other question was, "What do you do when the sign reads 'bridge out'?"

WE RECEIVED A FEW compliments on our story about the speaker at the Campbell High School disagreeing with the City's Planning. We also heard a few remarks at the City Hall. But we are certainly happy to know that the high school students are learning that governing bodies can be disagreed with. And also in our opinion, it's good to know that these students are being exposed to the functions of local government. We may not agree with the views of some of the speakers, but we feel it is very important that the youth be given an opportunity to think about what is going on around them. Another important item, they (the students) will be running the show before too many years. We say, the more sides of a story we can offer these boys and girls, the better our future shall be. Three cheers for Campbell High.

WE WOULD ALSO LIKE to express the thought that it is much better for people to disagree in conversation and at the ballot box. We thought this point was too well proven in Dallas a few weeks ago.

DURING THE PAST year, Campbell has undergone many changes. And we foresee many more and drastic changes in the coming year. We have

CITY MANAGER APPOINTED--Mayor Peter B. Lico outlines the Campbell City limits for Walter T. Thompson, former City Manager who assumed his job, January 7. Thompson, who was selected from a field of 55 applicants came from Bend, Oregon, where he served as city manager for a number of years.

City's offer for use of park unsatisfactory to Pony League

7 1/2 acres of city owned property at 540 West Rincon Avenue which may eventually become Rincon Park was the subject of heated discussion by the Campbell City Council and representatives of the Campbell-Moreland Pony League Monday night.

The Pony League has requested the City to grant them permanent use of the park for the baseball team, to plant the property in grass, to water and maintain it, and to give the baseball team sufficient money to construct a permanent backstop, somewhere in the neighborhood of $1500.

Instead, the Council offered to compromise. They granted the Pony League temporary use of the property on the premise that the plans for the city-owned property had not been fully developed. The Council also approved the sum of $250 to be used by the team in any manner they saw fit for the Park. They also agreed to level the property. Mayor Peter Lico and the rest of the Council indicated that they did not wish to plant grass and install a sprinkling system and fencing until a master plan has been approved.

The baseball team's request was denied on the grounds that it was too expensive. Mayor Peter Lico and other members of the Council said that the players didn't have to have a "Cadillac" field. Spokesman Les Ballinger retorted "you never get a Cadillac in Campbell."

At the same meeting City Building Inspector W.L. Morser requested that the city approve the condemnation of an old house on the Rincon Park property which is now rented to Mr. and Mrs. Willis Lampkin. Morser, in a letter to the Council, called the structure "a fire, health and safety hazard" and requested that the building be vacated in 30 days and demolished within 90 days. The request was approved by the Council. For the past year the 7 1/2 acres has been leased to the Pruvich family to raise tomatoes. Their lease expires in January.

Rotary to give $1,000 to develop Virginia Park

The Campbell Rotary Club has offered to assist the city with the development of a children's playground at the Virginia Park. The local organization has offered $1,000 and physical labor to the city.

Mayor Peter Lico directed that the City Engineer's staff meet with representatives of the club to work out details of the project. Rotary Club indicated they hoped to have the playground finished by May 1, 1964.

County to form drainage district in Moorpark area

A resolution was unanimously adopted by the Campbell City Council Monday night to allow the County to form a Storm Drainage Improvement District in the flood ridden Moorpark area. Myron Hawk, City Engineer, in an explanatory session with the Council, recommended that the County be allowed to form this district as the logical solution to the drainage problem.

Campbell is in 4.9 per cent of the area to be serviced by the formation of this storm drainage improvement district, Hawk pointed out. He also said this was the most economical project to service this area of need. The County informed the City Engineer they expect to complete the project by November, 1964.

February 6

IT RAINED IN FEBRUARY--For the second time in one winter all available Public Works personnel turned out in full force to combat the raging waters of San Tomas Creek which succeeded in flooding large areas of Virginia and Campbell Avenues. Here, Public Works employees fought to keep the debris from piling up at the Campbell Avenue crossing of the San Tomas Creek.

FIRST PLACE AWARD --Fire Chief George Maxwell proudly hangs the first place award received from the Fire Protection Association. The Campbell Fire Department placed first in the State of California in the national Fire Protection Association contest, which is conducted each year in cities all over the United States. Holding the book in which all Fire Prevention activities during the year are logged is Fire Marshal Gene Borden.

Chamber appoints Finch to assist Cultural Center

David R. Finch, Campbell attorney associated with the firm Dunn, Finch and Dawson, has been appointed by the Campbell Chamber of Commerce as coordinator and laison to the Campbell Country Woman's Club in connection with the formation of a Campbell Museum and Cultural Center.

Mrs. Ben Howe, president of the local woman's club, said Finch has indicated he has a great interest in the historical facts concerning Campbell and would assist the club in this worthy project.

What about those narrow bridges?

Now that Latimer Avenue has been resurfaced and improved, residents in the area are asking when will the narrow bridges on that street be widened, according to Robert Burton, 170 Coventry Drive.

Mayor Peter Lico replied that the money for the temporary improvement of the bridges has been budgeted and is to be included in another contract when the Flood Control District rechannels the San Tomas Creek. The project is temporary until 1967 when the San Tomas Expressway is expected to be completed.

Another Campbell Grammar School?

With the closing of the old Campbell Grammar School this year, Mayor Peter B. Lico requested that the members of the City Council consider renaming the Cherry Lane School to Campbell Grammar School.

"It does seem a shame that we don't have one grammar school in the city named for Campbell," Mayor Lico pointed out. He said he had several requests to remedy the situation.

HAPPY NEW YEAR

Editorial

Another challenging year!

Here it is, the end of another year and the beginning of a new one. Many people look back at the past 365 days for memories. Others try to see ahead with hope. We would like to take this opportunity to look both ways.

We would go back to the day George Vierhus handed the reins to us. Although there is no connection with the calendar year, it seems as though a "year" started that day.

Many things have happened to us, to Campbell, to the area surrounding us, to the nation and to the world But our interest centers here at home, here in Campbell and the surrounding area.

We have seen the area change in many ways. Some for the better and some we cannot pass judgement on. It has been our sincere intentions to be a part of the growth. A few of the ideas and suggestions were met favorably, some have been forgotten and others have yet to be considered.

The City has twice had a change in City Managers and we are looking for the third man to take the seat.

As we look back, we look at the editorials suggesting the change of the mail box in front of the New Post Office. The change in speed limits on Winchester Boulevard South to the Los Gatos Town limits. The efforts the Police Department is putting forth in the jaywalking program. It seems as though the widening of Winchester to Frair Way may be completed during the coming year.

We point also to the write-in campaign on behalf of Councilman Ralph Doetsch. The most gratifying of all are the letters and phone calls of support from our readers and advertisers. Collectively these make up the finest Christmas gift and gives us great hopes for the ensuing year.

During the new year we shall continue to do our utmost to deserve your continued support. In our opinion a community newspaper must fill the needs of the area. We are at your service. We shall continue to speak our mind on matters concerning the interest and welfare of the community. Politicians must answer to their constituents on election days. We must report to you each week. We accept that responsibility.

May yours be a very HAPPY NEW YEAR!

TRAFFIC PATTERN APPROVED

The Campbell City Council approved the square loop traffic interchange in relation to the Hamilton Avenue and Campbell Avenue access to the San Tomas Expressway at their meeting last Monday night. A letter was authorized to be sent to the Planning Commission to this effect. The Planners had requested clarification of this point.

The Council voted 3 to 2 on the issue and Councilman Henry Weitzel announced "street patterns are part of the Planners work and the recommendation should come from them."

stated many times that the next few years (3-4) will be very important to Campbell. Most of the area will have been built. The ultimate depends on the interest taken by the Planning Commissioners and the Council, but most important the greatest determining factor will be the interest shown by the residents of Campbell. It's a full time job. 1964 is here...this gives another 366 days to do our bit to make Campbell a better community in which to live.

IT IS OUR SINCERE hope that 1964 will bring happiness, good health and friendship to all.

ON CAPITOL HILL

with "Charlie" Gubser

Today's ON CAPITOL HILL is a fresh view of an old subject by Senator Norris Cotton of New Hampshire.

"To the future student, one of the clearest portrayals of our times will be the story of American Foreign Aid. It began my first year in Congress with Greek-Turkish Aid, followed by the Marshall Plan. No program was ever more necessary or more rewarding. The economies of free nations were tottering. Hunger and despair were engulfing their people. The tide of Communism was rolling irresistibly onward. Had we not acted, America would have become a beleaguered island of freedom in an enslaved world. We gave from our plenty to fill the mouths of the hungry, which was generous, and to save our own skins, which was intelligent...

"As the years went on, however, the picture began to change. Millions remain on the starvation line, easy prey to Communism, but instead of concentrating our aid on them, we still ladle it out to nations that have recovered and prospered, continuing to equip them with modern industrial plants with which to drive us out of many world markets — paper, chemical rubber, and aluminum plants, textile mills, shipyards, and a huge foreign steel industry. Our own textiles are dying, our shoes are threatened, our steel mills running part capacity. Four million Americans are jobless. Yet, Foreign Aid rolls on with ever-increasing momentum, like a subterranean river, hidden and uncontrolled. Who can check the myriad activities of a force of 65,000 people scattered over 107 nations spreading money accumulated from other years with new appropriations piling up? There are billions in the 'pipeline'. The exact amount no one knows.

"Symptoms of criminal carelessness, if not corruption, are unmistakable. Your tax dollars have gone to Algeria's Ben Bella and Yugoslavia's Tito, both Communists. Your tax dollars have created 30 millionaires in Laos, provided the Liberian President with a 12-million-dollar marble palace, Emperor Haile Selassie with a 2-million-dollar yacht, and Indonesia's Communist-leaning Sukarno with three luxury jet planes. The arms we have furnished dictators have been used to repress their own people. Each year we have tried in vain to stop money going to Communist countries.

"....I had resolved to cast a protest vote against the whole bill, but I was happily surprised. The Senate....cut....many of its non-essentials, hemmed it in with a score of amendments, ...and set up watchdog committees to follow it in every country.

"I am glad these changes enabled me to vote for the aid bill. The program is still vital. It's a 'must' in countries under the guns of Russia and China -- Korea, Formosa, Vietnam, Thailand, Pakistan, and Turkey. .....

".....If you find yourself a bit puzzled by my indictment of foreign aid and my vote for it, I would give you the words of Pope Pius XII, '....into the hands of America God has placed the destinies of afflicted humanity.'

"We shall betray our mission if we do not discharge it faithfully. We shall fail in our mission if we do not discharge it prudently. That's why I voted against Foreign Aid 24 times in two weeks -- and for it in the end."

ACTIVITIES PROGRAM

Campbell area women are being urged to sign up now for a new physical fitness and activities program scheduled to get under way January 6 in the Metropolitan YMCA of San Jose and Santa Clara Valley.

Classes, under supervision of Mrs. Mary Wejak, will be held twice a week in the "Y", 1717 The Alameda, San Jose, and will include swimming, calisthenics, badminton and volleyball.

Letters to the Editor

Editor,
Campbell Press
Campbell, California
Dear Sir:

One of my duties is to peruse the local newspapers. I have just finished your Christmas issue and want you to know I read your editorial all the way through.

Also the "Bleatings".

And I agree that already today, some of us have forgotten the excitement and joy of getting ready for Christmas. We are glad its over and are waiting to get back to our usual routine by turning that page of the calendar.

You know what's wrong?

No time for solitude, no time for leisure in which to get ourselves and the world into focus. No time for "good talk".

Well, I'm back on my ferris wheel, but like you, I did find time to contemplate the new order of living.

A Happy New Year to you and your staff.

Sincerely,
MARIE W. CAMPBELL

An $880,000 Vote of Confidence for the Campbell School District

As a resident within the Campbell Union School District you voted to let the district issue school bonds. This was your vote of confidence in the area the district serves. Bank of America and its associated investment dealers demonstrated the same confidence in buying the bonds—giving the district the money it needs for improved educational facilities.

Interest rates on the bonds were decided by *competitive bidding*—a procedure required by law to obtain the lowest average interest rate for the taxpayer under current bond market conditions. Interest rates also reflect the credit rating of your district.

We, at Bank of America, bid on nearly all municipal bonds issued in the State. We're particularly proud to play a key role in the development of the Campbell Union School District.

One thing that gives us confidence is that you and your neighbors wisely recognize the demonstrated truth: good schools benefit all citizens—those with and without children alike. The quality of a community parallels the quality of its schools. This is reflected in property values through the years.

You may be interested in buying Campbell Union School District Bonds as a personal investment. They offer the advantage of *tax exempt income* and are available in denominations of $1,000. You can purchase these bonds through your local Bank of America branch—or contact our Municipal Bond Department in San Francisco or Los Angeles.

NEW ISSUE

$880,000 Campbell Union School District, Santa Clara County, California, 5%, 3½% and 1/20% 1960 School Bonds, Series D. These bonds are being reoffered to investors to yield from 2.25% to 3.55%, according to maturity 1965-1988. The bonds due in 1989 are not being reoffered. These bonds are offered when, as and if issued and received by us and subject to approval of legality by our attorneys, a copy of whose legal opinion will be printed on each bond. A circular relating to these bonds is available from Bank of America. Names of other underwriters will be furnished on request.

Campbell parent discussion groups slated for January

A number of parent discussion groups in Campbell Union High School District will meet early next week, immediately after the reopening of school.

Camden Group #3 will meet Monday, January 6, at 7:30 p.m. in the home of Mrs. Charles Bush, 1762 Hallmark Ln., San Jose. Subject will be the physical education program with Warren Conrad, district supervisor of P.E. acting as consultant.

On the same evening Camden Group #5 will meet in the home of Mrs. R. Leibmann, 350 Shelley Rd., Campbell. "Choosing the right college and vocational opportunities" will be the topic under discussion.

Del Mar Group #3, Moorpark, will meet at 7:30 p.m. Tuesday, January 7, in the home of Mrs. Reginald Brown, 756 So. Genevieve Ln., San Jose. Under discussion will be "Teenage Employment and Vocational Opportunities."

Wednesday, January 8, Gold Group #1 meets in the home of Mrs. N.H. Dollard, 15141 Becky Ln., Monte Sereno, at 7:30 p.m. "Social Behavior - Dating and Teenage Conformity" will be the topic with Mr. Robert Brown, freshman counselor, acting as consultant.

Thursday night, January 9, Diamond Group #4 will discuss "Teenage Conformity," "Sex Education" and "Teenage Health and Habits" at the home of Mrs. Chester Haws, 212 Warwick St., Campbell.

Camden Group #4 will meet Thursday, January 9, in the home of Mrs. Milton Sugarman, 1121 Holmes Ave., Campbell. "Homework and Study Habits" and "Preparation for College" will be the subjects discussed. Miss Kathleen Bull, director of education, will act as consultant.

Also meeting Thursday night will be Del Mar Group #1. They will meet in the home of Mrs. J. Canepa, 1576 Fruitdale Ave., San Jose. "Preparation for College" will be topic with Jules Langlo, senior counselor, acting as consultant.

Moreland to hear address by District Attorney

The Moreland School Parent Teachers Association invites the adult public to their meeting on Tuesday, January 7, to hear an address by District Attorney Louis Bergna. The meeting will be held in the Moreland School Cafetorium.

Bergna has chosen the subject of Pornography and will show actual confiscated materials in conjunction with his talk. The effect of this material on the adolescent mind will be brought out in Bergna's address.

Auxiliary to hold whist party Jan. 6

A public whist party will be sponsored by West Valley Unit 158, American Legion Auxiliary, on Monday, January 6, starting at 1 p.m. It will be held in the American Legion Hall, 1344 Dell Avenue, Campbell. A door prize will be given and refreshments served.

The regular monthly meeting of West Valley Unit 158 will be held Thursday, January 9 at 8 p.m. in the American Legion Hall. Mrs. Glen Ellis and Mrs. Frank McGraw will be in charge of refreshments.

Girl Scouts

On December 19, Brownie Scout Troop No. 61 from Cherry Lane School, and Nos. 824, 826 and 827 from Hazelwood School gathered for a joint potluck dinner and Christmas party. The group comprised 80 girls.

In the afternoon, prior to the party, the Brownie Scouts sang Christmas carols and left reindeer tray favors for the patients at the following hospitals: Troop No. 61, under the leadership of Mmes Gruver Davis and H.C. Kahrman, visited Foothill Convalescent Hospital. Troop No. 826, led by Mmes Roxie Clapes and George Patton, visited Campbell Community Hospital, where one of their members, Miss Debbie Clapes, is recovering from a broken leg. Troop No. 827, led by Mmes Carl Mergi and Wm. H. Kesner, visited Chandler Convalescent Hospital. Troop No. 824, led by Mmes Baker Cleveland and Donald McNaughtan, visited Camden Convalescent Hospital.

After the caroling, the girls met at Hazelwood School for their Christmas party. Each Brownie's mother contributed toward the dinner, which was topped off by a visit from Santa Claus (Mr. Gruver Davis) who presented gifts to all of the girls. The Christmas theme was carried out in games, songs, and an activity in which the girls made Christmas trees from apple box fillers, decorating them with bright balls and colored pipe cleaners.

Santa Claus later made a special stop at Campbell Community Hospital.

Fresno teacher to demonstrate oil painting

Darwin Musselman, associate professor of art at Fresno State College, will present a free demonstration in contemporary painting in oils at Villa Montalvo here at 2 p.m. Sunday, January 12.

The program, under auspices of the Montalvo Gallery Committee, will take place in the Carriage House Theatre on this former estate of the late U.S. Senator James G. Phelan, now maintained as a public non-profit cultural center.

Musselman is one of the exhibitors in the current art show in the Montalvo galleries until January 31. His subjects cover portraits, landscapes and marines, and his paintings have been represented in major competition and invitational exhibits throughout the country and Mexico City.

In 1950 he was one of 19 San Francisco Bay Area artists to be accepted by a western jury for an exhibition at the Metropolitan Museum of Art in New York. He has won numerous prizes and earned high praise from leading art critics. Among his teachers are Willard Nash, Lyonel Feininger and Yasno Kuniyoshi.

Montalvo galleries are open Tuesdays through Sundays, 1:30 to 4:30 and the exhibits are without admission charge to the public.

CAMPBELL UNION
SCHOOL DISTRICT
December 19, 1963
NOTICE TO
CONTRACTORS

The Board of Trustees of the Campbell Union School District of Santa Clara County, State of California, invites and will receive sealed proposals in the Office of the Board of Trustees, 155 North Third Street, Campbell, California, up until 4:00 P. M. January 21, 1964, at which time and place said bids will be opened and read in public for furnishing all labor and materials for construction of the following:

Forest Hill School Addition #2 at 4450 McCoy Avenue, San Jose, California, consisting of four (4) classrooms and appurtenant facilities including site work.

Work must be done in strict accordance with plans and specifications prepared by and obtainable at the Office of the Architects, Higgins & Root, 220 Meridian at Park Avenue, San Jose, 26, California.

A deposit of $25.00 per set will be required from all contractors receiving plans, said deposit to be returned by the Architect when the plans and specifications are returned in good condition.

All bids are to be made out on forms furnished by the Architect. No bidder may withdraw his bid for a period of thirty (30) days after the time set for the opening thereof.

The Board of Trustees reserves the right to reject any or all bids and to waive any informality in any bid received.

Each bid must be accompanied by a certified check, cashier's check or bidder's bond made payable to the order of the Campbell Union School District in the amount of ten percent (10%) of the tendered bid as a guarantee that the bidder will, after being notified of the acceptance of his bid, enter into a contract with the Board of Trustees in accordance therewith.

The successful bidder will be required to furnish a bond for faithful performance in the amount of 100% of the contract price, and a bond for material and labor in the amount of 100% of the contract price.

The work to be performed under this Contract shall commence upon execution of the Contract, and shall be substantially completed within one hundred eighty (180) calendar days thereafter. Time shall be the essence of this agreement. The substantial completeness of the work to be performed shall be within the determination of the supervising Architect alone, and the parties signatory hereto agree that his determination shall be final.

Should said work not be completed within the time hereinabove stated there will be deducted from the final payment the sum of Fifty and No/100 ($50.00) Dollars per day as liquidated damages, but not as a penalty, for each days delay after the expiration of such period until the final physical completion of the work and its delivery to said Owner.

No alien shall be employed in the work. Workmen employed on said work must be paid not less than the latest prevailing scale of wages adopted by the Board of Supervisors of Santa Clara County, and are as follows:

City receives letter from Sargent Shriver

City Attorney Joseph A. Bonacina reported to the City Council Monday night that he had received a personal letter of appreciation from Sargent Shriver, brother-in-law of the late President John F. Kennedy, for the resolution adopted by the Council and sent to the President's widow, Mrs. Jacqueline Kennedy.

According to Bonacina, the letter acknowledged the resolution of sympathy adopted by the Campbell Council.

PG&E regional business study sees new gains

A combination of favorable factors supporting Northern and Central California's broadly-based growth will produce another year of record business activity in 1964, Pacific Gas and Electric Company forecast today.

New population estimated at 284,000 persons this year in the 47 counties served in whole or part by PG&E heads the factors cited in the annual Market Outlook compiled by the company's market research department and released by R.W. Joyce, vice president-commercial operations.

"Business planning in 1964 should look ahead to the accelerating changes in the age composition of the population during the next few years," says the PG&E publication.

"At the end of 1964 about 45% of the population of California will be under 25 years of age. From 1960 to the end of this year the population of 18 to 24 year olds, or those new to the labor force, will have increased by over 400,000, a gain of 28%. This rate is noticeably above the 18% advance projected for the total population during this period. This difference will tend to widen, producing an even younger total population for the state."

A second significant business stimulus will be an estimated 6% gain in total personal income for the state as a whole, rising $3.1 billion to a new record annual level of $55.2 billion. This will be about 11.4% of the nation's total income. Per capita income will be about 20% above the national average, says the brochure.

Howard Rathbun notes 35 years at First National

Howard W. Rathbun marked 35 years with the First National Bank of San Jose on December 24. Following his graduation from high school in College City, California, in 1928, Rathbun traveled to San Jose and started to work as a bookkeeper for First National on December 24 of that year.

Rathbun, a native Californian, progressed to commercial teller, and then to other departments of the bank and in 1942 was promoted to credit manager. He served in the U.S. Marine Corps in World War II and on his return was elevated to assistant vice president in charge of the bank's real estate department. He eventually was named first vice president and serves in that capacity today.

BEGINNING at a point on the Westerly line of lot 6, distant thereon 924.96 feet along said Westerly line of lot 6, from the center line of Hamilton Avenue, as said Westerly line, lot 6, and center line of Hamilton Avenue are described in the Deed from Joseph J. Grundell and Myrtle R. Grundell, his wife to Campbell Union School District, dated July 12, 1956, Recorded August 28, 1956 in Book 3590 of Official Records at page 525, Santa Clara County Records; thence North 0 degrees 03 minutes E along said Westerly line of lot 6, 1127.64 feet to the center line of the new channel of Los Gatos Creek being the Northwest corner of said lot 6; thence North 63 degrees East 42.67 feet; thence South 0 degrees 03 minutes West 1147.04 feet; thence South 89 degrees 50 minutes West 38.00 feet to the point of beginning.

WHEREAS, it is to the best interest and advantage of said District that a certain street be located, constructed and established by the city of San Jose, the proposed route of which lies over, upon, through and across the hereinabove described real property; and

WHEREAS, it is necessary for said District to dedicate said property to the city of San Jose for said public street purposes.

NOW, THEREFORE, BE IT RESOLVED that this Board intends and hereby declares its intention to dedicate and grant to the city of San Jose all the real property hereinabove described for public street purposes and that this Board on the 9th day of January, 1964, in its meeting room located in Campbell, California, which said room constitutes the regular place of meeting of said Board and public meeting, at the hour of 8 o'clock, p.m., will hold a public hearing upon the question of dedicating said real property to the city of San Jose for public street purposes;

AND BE IT FURTHER RESOLVED that no vote of the electors of said School District shall first be taken before such dedication is made;

AND BE IT FURTHER RESOLVED that said real property will be dedicated to the city of San Jose upon the following terms and conditions, to wit:

TERMS AND CONDITIONS

1 - Grantee will pay for all costs of legal advertising.

2 - Development of project of extension of Leigh Avenue to be planned in order not to interfere with school activities.

3 - Letter from proper city official certifying that planned addition to Blackford School #4 will not be questioned because of a non-conforming setback of buildings after this street dedication is made.

AND BE IT FURTHER RESOLVED that at said time and place such public hearing shall be held and at said time and place or at any other meeting of this Board held within sixty (60) days thereafter, this Board will adopt a resolution by a two-thirds vote of all its members authorizing and directing the Clerk of this Board to execute a Deed of Dedication of said property and to deliver the same to the city of San Jose.

PROVIDED, HOWEVER, that if a petition protesting the proposed dedication, signed by at least ten percent (10%) of the qualified electors of the District, as shown by the affidavit of one of the petitioners, be filed with this Board at the meeting held at the time and place hereinabove fixed, this Board before taking any further action on the proposed dedication, will submit the question of whether the proposed dedication should be made to the Superintendent of Schools of the County of Santa Clara, whose decision shall be final.

IT IS HEREBY FURTHER RESOLVED AND ORDERED that notice of the adoption of this Resolution by this Board shall be given by posting this Resolution in three (3) public places in said CAMPBELL UNION SCHOOL DISTRICT not less than ten (10) days before the date of said meeting and further that this notice shall be published once not less than five (5) days before the date of said meeting in the Campbell Press, a newspaper of general circulation published in said CAMPBELL UNION SCHOOL DISTRICT.

PASSED AND ADOPTED by the Board of Trustees of the CAMPBELL UNION SCHOOL DISTRICT of Santa Clara County, State of California, this 19th day of December, 1963, by the following vote:

AYES: Trustees, MacGregor, Merriell, Graham-Armstrong

NOES: Trustees, None

ABSENT: Trustees, Guilbert, Howard

G. D. MacGREGOR
Chairman of the Board of Trustees of CAMPBELL UNION SCHOOL DISTRICT of Santa Clara County.

OUR TOWN

By Grace Hebard

Mrs. H. Leigh Cross, who is a member of the family for which Leigh Avenue is named, is one of the contributors of early California items to the Campbell Museum and Cultural Center being organized by the Campbell Country Woman's Club. The Museum is scheduled to have its grand opening on Sunday January 12. Mrs. Courtland Watson who has given so much of her time to the organization of this community project, will be guest speaker at the Kiwanis luncheon on Tuesday, January 7, and will explain the project to the membership. The Kiwanis have pledged their support.

Campbell takes Mustangs: 42-21

by Alan Liss

The lead game for Campbell High's 'B' basketball team in the Campbell 'B' Tournament placed the Buccaneers against the Pioneer Mustangs. Campbell, having previously beaten Pioneer by ten points, still expected a hard fought game.

Playing against a zone defense for the first time, the Bucs were temporarily stopped. But Campbell found the answer to this in Bob Fancher. Fancher hit for the Bucs first nine points and finished the game with a high of points. The score at the half was Campbell 21, Pioneer 12, and Pioneer never got any closer.

Playing without two first Stringers, Dwillis and Taylor, and with half the power of injured Dave Maruyama, the battling Bucs played a tremendous team game. Standouts were Bill Gray, (8 points), Duane Peterson and Gary Porter (both with 6 points), and Fancher.

March of dimes campaign opens

March of Dimes month officially opens Monday January 6 with the arrival of 6,000 special mailers in Campbell homes.

"These may be termed 'Do It Yourself Health Kits,'" declared John T. Dawson, Campbell attorney who heads the 1964 March of Dimes for this area. "All you do is open them, put your contributions in the enclosed envelopes, seal, stamp and mail.

"This way, you are financing medical care, research and education which is available to you and your family in the fields of arthritis and birth defects."

Dawson further pointed out that the National Foundation program, which is financed by the annual March of Dimes, already has made ours a healthier nation by virtually abolishing the dread poliomyelitis. Research which resulted in the Salk and Sabin vaccines was under-written by the National Foundation.

Research into the causes of a variety of birth defects and of arthritis is being carried on in numerous National Foundation supported programs throughout the nation. In addition, treatment centers are established which supply data contributing to research, as well as help for the stricken.

Nearest of the centers is the Special Children's Arthritis Treatment Center at Stanford University School of Medicine. This was established with National Foundation funds last summer and children are referred by their own physicians. One Campbell youngster has been included in the patients already seen, according to Dawson.
